Minor Participation Procedures

Midwestern Council (MC) allows 16 and 17 year olds to compete in Wheel-to-Wheel (W2W) and High Speed Autocross (HSAX) events. All 16 and 17 year old participants must comply with the following procedures:

All 16 and 17 year old participants in W2W and/or HSAX **MUST** successfully complete a full day MC Driver School for the type of competition in which they wish to participate. Driver school may be waived by the Competition Director with an acceptable and verifiable current racing resume. Upon successfully completing a Driver School, or waiver by Competition Director, a Minor Participation License (MPL) or HSAX Minor Participation Certificate will be issued.

A "MINOR RELEASE AND WAIVER OF LIABILITY AND INDEMNITY AGREEMENT" (Minor Release) form must be signed by both living Parents or Legal Guardians, **notarized** and in the possession of the MC Competition Director **14 days prior** to a 16 or 17 year old being allowed to participate in a Midwestern Council event. To receive a blank Minor Release, the applicant must join a MCSCC club and contact the Steward of the club he/she joins. Notarized releases are valid until December 31st of the year in which they are signed and must be submitted each year until the minor attains 18 years of age. The Competition Director will supply copies of this form to the MC President and Competition Licensing Director. A copy of the notarized form will be provided to each event Chief Steward and Registrar for signature comparison with the form that will be completed by the minor and attending parent/guardian at the events entered.

All 16 and 17 year olds applying for a Minor Driver School Permit for W2W must submit a Midwestern Council medical form; no other medical forms will be accepted.

At registration of each event entered, a Minor Release for that event shall be filled out and signed by the minor and attending parent/guardian. (Only one parent/guardian need attend events.) The registrar will compare the signatures to those on the copied notarized form. If believed to be the same, the registrar is to sign and date the event release as a witness.

If at any time the attending parent/guardian intends to leave the track property, that parent/guardian is to inform the Chief Steward of intent to leave. Upon returning, the parent/guardian is to report to the Chief Steward. While the parent/guardian is away, the minor will not be allowed in restricted areas.

16 and 17 year old W2W participants shall only be eligible for a "Minor Participation License" (MPL). While holding an MPL the participant shall conform to all regulations for both Novice and Probation licenses as detailed in the GCR. In addition, the driver must personally present the MPL to the event Chief Steward accompanied by the attending parent/guardian. Renewal of an MPL is similar to that of a Novice license. HSAX Minor Participation Certificates are to be sent to the Competition License Director for second year renewal as would the MPL.

Upon reaching 18, Minor Participation License holders are eligible to upgrade to the license level appropriate for the number of races completed while on the MPL.

- 7.3.2. Practice will be called by groups. Latecomers may get limited practice time. Competitors who work in tech or on corners will be assured two practice runs.
- 7.3.3. Passing is allowed only in designated areas which will be defined at the Mandatory Drivers Meeting.
- 7.3.4. If Blue Flagged, stay to the left and allow faster cars to pass on right. Anyone ignoring the Blue Flag will be disqualified from further participation at that event.
- 7.3.5. Anyone failing to exit at the designated exit point to be identified at the Mandatory Drivers Meeting will lose his/her next practice session or timed run.
- 7.3.6. Left and right front door windows must be open whenever the car is on track.
- 7.3.7. Where available, participants in a Midwestern Council HSAX event are prohibited from participating on facilities adjacent to that upon which the MCSCC event is being held. Upon being observed doing so, said competitor will be prohibited from participating in a timed run without first being held by grid for a minimum of ten (10) minutes.
- 7.3.8. Timed runs must be completed whenever possible. (Not doing so creates problems for Timing & Scoring.)
- 7.3.9. If a re-run is approved by the Stewards, the car will be held for a ten (10) minute period before the re-run will be allowed.

COUNCIL SUMMER CLASSIC 2020

Refunds:

No refunds will be issued after 7 days prior to the event. This event has limited capacity; your registration and pre-payment reserves a spot for you. To receive a refund, you must send a written request, postmarked no later than 7 days prior to the event, May 21. Your refund will be the event price minus a \$10 processing fee. Send requests to: Madison Sports Car Club, 6 Knollwood Ct, Madison, WI 53713-3479

Driver Eligibility:

Driver must be 18 years old and have a valid state issued driver's license. We regret that Minors are not eligible due to insurance restrictions on which we are allowed no flexibility. License must be presented at Tech. Drivers participating in Group 4 must also present a valid competition license at Tech (MC, SCCA, NASA, etc., see Supps 2.1)

General Information:

The chief steward of the event may modify, add to, delete from, or grant exceptions to these regulations at any time.

Driver Safety:

Drivers must wear long sleeve tops and long pants made from natural fibers and closed toe shoes. A Snell Foundation 2005 or newer helmet, M, SA or K rated and factory installed 3-point belts or better are required. Snell 2000 helmets are no longer acceptable. Roll Bars/Cages are required in open-top vehicles without factory roll-over protection. Drivers & Vehicles in Group 4 must meet safety requirements as specified in the MC GCR for wheel to wheel competition.

Numbers:

Car numbers will be assigned on a first to register first assigned basis. MC permanent numbers are NOT honored. Numbers must be on both sides of the car, of contrasting color, at least 6" high, and not made from shoe polish or marker.

Run Group:

MSCC reserves the right to change your run group based on experience and to balance the groups for a safe and fun event. Moving to another run group is only permitted with the approval of the chief steward.

Passing:

Passing will be done with a point by for each car passed. Passing two cars at once is unacceptable. Drivers passing without a point by will be black flagged. First offense you will sit out the rest of the session, second offense you will not be allowed back on track. This is not racing. If a driver is faster than you in the corners, let him pass you in the straights. You may have to lift. Black flags will be issued for not letting faster cornering cars by on the straights.

Passing zones are between T6+T7 and T7+T1 for all groups. Pass must be fully completed by turn-in point of the next corner. Group 4, competition licensed drivers, may pass anywhere on track. Point-bys are highly encouraged.

Passengers:

No passengers will be allowed except those designated as an instructor by the chief steward. The only time more than one person is allowed in the car is if one of those people is a designated instructor. Instructors may take students in their car or ride along with students.

Instructors:

Instruction is very limited. Instructors are volunteers from the advanced and competition run group, appointed by the event chief steward. We expect instructors to assist new drivers with learning the line and basic driving technique for a session or two. We respect that our volunteer instructors are at the event for their own track time. A more formal course of instruction is available at Midwestern Council Driver's Schools.

On-Track Behavior:

Front windows must be down. Honor the blend line when entering the track. Watch your mirrors and corner stations. You will be black flagged if you aren't paying attention. Not all corners will be manned. When exiting course, put your left hand in the air to signal you're slowing; move off-line. Exit the track using Pit Row; exits at T5 & T6 are for your emergency use only. Off-course excursions will bring you into the pits to chat with the steward. Multiple off-course excursions will end your day. Emergencies on track will result in the session immediately being ended.

Flags On-Course:

Yellow: Stationary or Waving. Incident up ahead. Slow down, no passing until the next manned station.

Black: Driving infraction. Proceed to pit lane immediately.

Blue: Faster car is behind you, let them pass.

Yellow/Red: Debris on the course. Drive with caution, be alert.

Checkered: End of session. Finish your next lap and exit track through pit lane.
