HSAX Race Class Competition Rules

1. Race Class

There are five (5) race categories;

1.1 **AR**: Closed wheel vehicles with engines 2.95L and over, or with supercharged/turbocharged engines 1.95L and over.

1.2 **BR**: Closed wheel vehicles with engines over 1.95L and under 2.95L, and any supercharged/turbocharged engine less than 1.95L.

1.3 **CR**: Closed wheel vehicles with an engine less than 1.95L

1.4 **DR**: Open wheel vehicles with 1600cc engine and over.

1.5 **ER**: Open wheel vehicles with up to 1600cc engines.

1.5.1 Sports racers will be classified as open wheel vehicles.

1.5.2 Sports Renault will be classified as ER.

1.5.3 Rotary motors will be considered to have a displacement 1.8 times their actual displacement.

1.6 In the Race class any tire is allowed.

1.7 An entrant in AR, DR, or ER must compete in the assigned class/category.

1.8 All Cars Designed as a Single Seat Vehicle with Wheels outside the main body with wheel coverings are considered an open wheel car.
