COUNCIL SUMMER CLASSIC 2021

Minor Participation Procedures

Midwestern Council (MC) allows 16 and 17 year olds to compete in Wheel-to-Wheel (W2W) and High Speed Autocross (HSAX) events. All 16 and 17 year old participants must comply with the following procedures:

All 16 and 17 year old participants in W2W and/or HSAX **MUST** successfully complete a full day MC Driver School for the type of competition in which they wish to participate. Driver school may be waived by the Competition Director with an acceptable and verifiable current racing resume. Upon successfully completing a Driver School, or waiver by Competition Director, a Minor Participation License (MPL) or HSAX Minor Participation Certificate will be issued.

A "MINOR RELEASE AND WAIVER OF LIABILITY AND INDEMNITY AGREEMENT" (Minor Release) form must be signed by both living Parents or Legal Guardians, **notarized** and in the possession of the MC Competition Director **14 days prior** to a 16 or 17 year old being allowed to participate in a Midwestern Council event. To receive a blank Minor Release, the applicant must join a MCSCC club and contact the Steward of the club he/she joins. Notarized releases are valid until December 31st of the year in which they are signed and must be submitted each year until the minor attains 18 years of age. The Competition Director will supply copies of this form to the MC President and Competition Licensing Director. A copy of the notarized form will be provided to each event Chief Steward and Registrar for signature comparison with the form that will be completed by the minor and attending parent/guardian at the events entered.

All 16 and 17 year olds applying for a Minor Driver School Permit for W2W must submit a Midwestern Council medical form; no other medical forms will be accepted.

At registration of each event entered, a Minor Release for that event shall be filled out and signed by the minor and attending parent/guardian. (Only one parent/guardian need attend events.) The registrar will compare the signatures to those on the copied notarized form. If believed to be the same, the registrar is to sign and date the event release as a witness.

If at any time the attending parent/guardian intends to leave the track property, that parent/guardian is to inform the Chief Steward of intent to leave. Upon returning, the parent/guardian is to report to the Chief Steward. While the parent/guardian is away, the minor will not be allowed in restricted areas.

16 and 17 year old W2W participants shall only be eligible for a "Minor Participation License" (MPL). While holding an MPL the participant shall conform to all regulations for both Novice and Probation licenses as detailed in the GCR. In addition, the driver must personally present the MPL to the event Chief Steward accompanied by the attending parent/guardian. Renewal of an MPL is similar to that of a Novice license. HSAX Minor Participation Certificates are to be sent to the Competition License Director for second year renewal as would the MPL.

Upon reaching 18, Minor Participation License holders are eligible to upgrade to the license level appropriate for the number of races completed while on the MPL.

- 7.2.1. Cars must be generally suited for track use and must pass *High Speed Autocross* Technical Inspection. A neat and clean appearance is required.
- 7.2.2. Car numbers must be at least 6" high and of 1" stroke, and white in color unless the background is white in which case the numbers must be black. Shoe polish is not allowed. Numbers shall be displayed on both sides of the car and at the top corner of the windshield on the side facing T&S without interfering with the driver's ability to see to the front. Car class and practice group number shall be displayed on the windshield also, in a manner not to conflict with the car number. Numbers are the driver's responsibility, and will not be supplied by Tech nor will tech supply materials to create numbers.
- 7.2.3. Seat belts must be in place and used at all times. OEM seat/shoulder belts are acceptable in all classes except those cars requiring a roll bar. Cars requiring a roll bar must have a 4-point (minimum) harness ("Euro Harness" acceptable). Competition belts & harnesses are required in all open cars in any class.
- 7.2.4. Open cars are required to have roll bars meeting Appendix Z or ZZ of MCSCC General Competition Regulations. Targa and T-Top cars are considered open cars unless tops are installed and locked in place. Roll bars are strongly recommended for all cars.
- 7.2.5. Drivers must wear full coverage shoes, long pants and long sleeved shirts, with sleeves rolled down, when on track. Approved driving suits are highly recommended.
- 7.2.6. Sound control - All cars are required to comply with the decibel limit established by the track (see track regulations). If a car is recorded in excess of the limit during an on track session, the first two times the driver will be notified of the infraction as the car enters the paddock and instructed to make repairs. If the car is subsequently recorded in excess of the limit it will be disqualified from further participation at that event.
- 7.3. Autocross General**
 - 7.3.1. Only approved driving instructors may ride in cars on the track. No other passengers will be allowed during practice or timed runs.
 - 7.3.2. Passing is allowed only in designated areas which will be defined at the Mandatory Drivers Meeting.
 - 7.3.3. If Blue Flagged, remain on the racing line and allow faster cars to pass.
 - 7.3.4. Anyone failing to exit at the designated exit point, to be identified at the Mandatory Drivers Meeting may lose his/her next practice session or timed run.
 - 7.3.5. Left and right front door windows must be open whenever the car is on track.
 - 7.3.6. Where available, participants in a Midwestern Council HSAX event are prohibited from participating on facilities adjacent to that upon which the MCSCC event is being held. Upon being observed doing so, said competitor will be prohibited from participating in a timed run without first being held by grid for a minimum of five (5) minutes.
 - 7.3.7. Timed runs must be completed whenever possible. (Not doing so creates problems for Timing & Scoring.)
 - 7.3.8. If a re-run is approved by the Stewards, the car will be held for a five (5) minute period before the re-run will be allowed.
 - 7.3.9. Any competitor that breaks a current class record will be flagged by timing and Scoring and will need to report to impound to have the car inspected for correct classing and preparedness. If the competitor refuses to have their car inspected the track record time will be disqualified and further action may be taken.

Do you ever wonder why the tower calls for "help" before events start? It's usually because the sponsoring club was not able to get enough volunteers. All events are run by one of the MC Individual Clubs. Without help from general membership events are not staffed properly. NSSCC tries to prevent this at our events by looking for help at this time. "55 + 1" Program Commitment – dues plus 1 day.

I'll Help the Club at a 2021 NSSCC sponsored event, please mark event and specialty with a "X".
